GIVE!

WHAT IS GIVE!?

Give! is a year-end philanthropic initiative created to encourage everyone in the Pikes Peak region to give back and get involved with local nonprofits. Give! raises awareness about lesser-known, new and innovative efforts, while highlighting the greatest variety of causes you'll find in any local collective campaign. We build the next generation of philanthropists through our Young Donors Challenge, and strengthen nonprofits by helping them raise matching grants, gain media exposure and get valuable capacity-building training from local and regional experts.

DONOR REWARDS

While giving is and should be its own reward, many local businesses want to support Give! and help our local nonprofits by providing a selection of cool gifts at no cost to Give!, as a special and unique THANK YOU for your donation. The more money you donate, the more rewards you get.

Scan this code to see more details on reward levels.

Please note rewards have different expiration or redemption dates. The sooner you donate, the longer you have to enjoy the rewards!
